Introduction

At Hillside Primary School our School Values are:

Respect and Politeness

Honesty and Trust

Learning and Achievement

Security and Happiness

Inclusion and Fairness

Resilience and Independence

When we developed these values with the school community, we included the views of pupils, parents and staff. Therefore, the values extend beyond the experience of children to the staff who help them learn.

This Staff Guarantee outlines what staff can expect in terms of support as employees of Hillside Primary School to: Continue to Learn and Achieve (Professional Development) and Be Secure and Happy in their professional role (Well-Being).

Rationale

We believe that staff who are happy, secure and supported to develop as professionals will commit to Hillside Primary School and create a stable, challenging, motivating learning environment.

Funding

Following advice in our Pupil Premium Review (Sept 2015) we recognise that staff stability supports the progress of all pupils but especially disadvantaged pupils who may lead challenging lifestyles.

Therefore, in order to retain staff, we invest a portion of Pupil Premium funding to our Professional Development budget (plus revenue allocation) and Staff Wellbeing package.

Continuous Professional Development (CPD)

Definition

Continuous Professional Development (CPD) is the process of tracking and documenting the skills, knowledge and experience that you gain both formally and informally as you work, beyond any initial training. It's a record of what you experience, learn and then apply. The term is used to mean a physical folder or portfolio (at Hillside called the "Green Folder") documenting your development as a professional.

CPD at Hillside helps you manage your own development on an ongoing basis. Its function is to help you record, review and reflect on what you learn. It is not a tick box documenting the training required for your role - it is broader than that. Development is often informal and has wider applications giving you the tools to develop competencies, skills and knowledge. It can also widen your range of transferable skills like leadership and managing projects.

The Key Features of CPD at Hillside are:

- it is a self directed process, documented by the employee, supported by the school
- it is self-directed: driven by you, not your employer
- it focuses on learning from experience, reflective learning and review
- it helps you set development goals and objectives
- it includes both formal and informal learning.

What to Expect at Hillside:

a. All staff:

- Keep a professional development portfolio (Green File) to document their own CPD.
- Highlight CPD in their appraisal and probationary period

All staff can raise CPD with line managers/leadership team to include in their development plan for subjects and phases. This CPD can be factored-in to school development.

- Will have allocated cover time for professional development.
- Further Education
All staff are entitled to request further education and training beyond that offered by the school, for example: Foundation Degree, Masters Level Study. Each request would be considered by the Governing Body on its own merit considering:

As such a teacher is required to teach and perform other duties for 1265 hours (directed time) each year allocated reasonably throughout the year. Time Budget Outline

All teachers, not paid on the Leadership Pay Spine, can refer to this time budget calendar which details how the 1265 hours of time specified in their contract for reasonable direction by the Headteacher will be allocated. Notwithstanding that a teacher is also required to work "such reasonable additional hours as may be needed to enable the effective discharge of their professional duties".

School Day 8.10am Meet with Class Based Support Staff
 3.20pm Pupils to be sent home and supervised to clubs
 1 hour for lunch
 = 31 hours and 10mins per week
 = 1184 hours and 30 mins per year

1265 hours - 1184.5 hours = 80.5 hours per year (2 hours and 6 minutes per week) to be directed.

Staff Training Usually Wednesdays from 3.30pm-5pm
 (10 minutes 'buffer time' between 3.20pm and 3.30pm)
 = 1.5 hours per week

(Note - some statutory training requires longer sessions such as Group 2 Safeguarding training which requires 2.5 hours every three years)

Staff Briefing Usually Fridays from 8.10am - 8.30pm
 = 20 minutes per week

This leaves 10 minutes per week contributing to Phase Time.

A **calendar of meetings, responsibilities and events** is published in advance of the start of each term, known as **THE SCHEDULE**. This enables staff with carer responsibilities to manage their time effectively. Once published, these days are not changed other than in exceptional circumstances.

Parent consultations (parents' evenings) are on The Schedule and occur twice a year supporting pupil progress and teacher appraisal. Staff training, briefings and training do not occur during these weeks.
